

## The Shirtwaist and Skirt Season

Is Now at Its Best

—and so our Shirtwaist stock is more interesting than ever. Plenty of new and attractive models to select from, whether you buy the dressy Silk Waist, the more simple Muslins or Voiles, or even the new Middy. Several new Waists are a very important item in a woman's summer outfit.

## The Popularity of Waists Demands a Separate Skirt

We know very well that if a woman is attracted by a pretty Waist and purchases, she must necessarily have a Skirt to wear with it, and that is why we have an unusually broad selection to choose from. Don't fail to see this line of White and Colored Skirts.

## Pretty New Summer Dresses

The styles are so attractive and the Dresses so delightfully cool in appearance that you cannot help liking them. It is to your advantage to buy now and get a full season's service out of your Dresses. A splendid line of both White and Colored, priced at from \$1.69 to \$15.00 each.

## Women's Neckwear

Surprising what a dainty piece of Neckwear will do in the way of helping to improve the looks of a dress or suit.

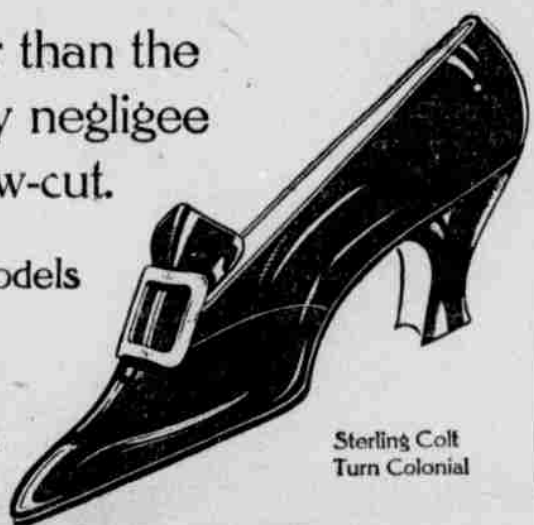

Ours is a collection of very pretty ideas, fashioned of soft, pleasing materials. They are in round and fichu shapes, some are edged with lace, others with embroidery. Colors seem to be very popular. See our line marked at popular prices.

Around 300 people enjoyed the progressive supper served last evening by the women of the Hedding Methodist church. The proceeds exceeded the highest expectations of the promoters of the enterprise and viewed from every angle, the affair was wholly successful. Fourteen automobiles were required to transport patrons of the supper from house to house. The supper partook of the nature of an international affair, inasmuch as each course was peculiar to the cuisine of some country across the water. Clever effects in costume and decorations were achieved in all the homes and in certain instances the results were most pleasing to the eye. The courses were served as follows: Mrs. A. A. Boyce, East street, Scotland; Mrs. L. D. Martin, Averill street, Sweden; Mrs. B. W. Hooker, Park street, Italy; Mrs. Nicholas Veale, Liberty street, France; Mrs. D. J. Mr. Pollack was a well known stogie manufacturer. Preceding the exercises attendant upon the unveiling ceremony a parade of 10,000 men, representing every branch of industry in Wheeling, marched around the city. The base of the memorial is 15 feet and 6 inches by 12 feet and 4 inches. Its total height is 37 feet and it is surmounted by two figures, each 6 feet, 6 inches in height.
